**PETITION TO PAY LARGE ENTITY FEE
PURSUANT TO 37 C.F.R. §1.28**

Commissioner for Patents
U.S. Patent & Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Patent Assignee of the U.S. 6,716,387 recently discovered that the fees were paid as a small entity as opposed to a large entity. This error was initially made by the attorney filing the application and perpetuated by the successor law firm who most recently paid the first maintenance fee. When the present application was transferred to present counsel, this entity status error was discovered. The file history has been reviewed and all of the fees that were paid as a small entity are itemized on the attached spreadsheet. Copies of the relevant papers evidencing the payment of the small entity fee and the associated payment date are also included. These fees paid as a small entity were the initial filing fee, a preliminary amendment fee and the patent issue fee and the first maintenance fee. The total fees paid are summarized on the attached spreadsheet along with the current fees for a large entity. A deficiency of \$2,891 is determined to be due.

If the Petition's Examiner has any questions, please telephone the undersigned. The error in small entity status was inadvertent and at all times Applicant believed that its previous counsel was paying the appropriate fees. Promptly upon learning of this error, Applicant authorized the undersigned to file this petition and pay the related fees.

Please charge \$2,891 to deposit account 02-3978 Please charge the \$2,891 deficiency and any additional fees or credit any overpayments as a result of the filing of this paper to our Deposit Account No. 02-3978.

Respectfully submitted,

Ronald Thomas
